WHOLESALE PRICE LIST
OF
Bryant's Nurseries,
PRINCETON, ILL.

FALL OF 1875,

AFTER WHICH THESE PRICES WILL NOT BE BINDING.

FOR DEALERS AND NURSERYMEN ONLY.

A. BRYANT, Jr., Proprietor.

Republican Printing House, Princeton, Illinois.

ANNOUNCEMENT.

With a favorable season for the growth of Nursery Stock, we offer for this Fall, a superior assortment in all departments.

While our trees have been grown with reference to *quality* rather than extreme *cheapness*, we think that our prices will be found very low, especially when *quality* is taken into consideration.

We ask particular attention to our APPLE TREES, OSAGE, EVERGREENS and SHADE TREES; also, to our large Stock of 2 and 3 years ASH, for Timber Planting.

It is now **30 years** since this Nursery was first established, and we need not say that we shall spare no pains to sustain the reputation for *good stock* and fair dealing, which we flatter ourselves we have always enjoyed.

THE PACKING SEASON

Begins with us about the 1st of October, and continues until the middle of November. or later, according to the season.

Orders should be sent in EARLY to ensure prompt attention, as we fill orders in rotation as far as practicable.

Southern orders can be *shipped* by *Express*, at almost any time during the Winter, but should be sent in *early* so that they may be *filled* before severe weather.

NOTICE THESE TERMS AND CONDITIONS.

Terms: 5 per cent. off *for cash*, on bills of $25.00 and upwards.

To *known*, *reliable* parties, we will allow 30 days from date of shipment, without interest; bills running over that time must bear 10 per cent.

No per cent. off unless Cash comes *with order* or *before shipment*.

We make these terms as a special inducement for CASH, and there will be *no deviation*.

Special attention given to packing, for which we charge cost of material and labor. All stock delivered at the Depot or Express office free of charge, after which it is entirely at the risk of the purchaser.

Any errors which may occur in filling orders, cheerfully corrected, if notified of same within six days after receipt of goods; otherwise, no claims for deduction allowed.

Prices given in this list are for the quantities specified. If a less number is taken, the price will be proportionately increased.

Orders should be written plainly, giving full and explicit directions as to route and manner in which stock is to be shipped.

We publish the following Lists, which will be sent to applicants who send stamps to prepay postage:

ORNAMENTAL DEPARTMENT.

Evergreens.

We are making this branch of the business a *specialty*, and can supply Evergreens in any quantity, and of almost any desired size.

For timber-planting and wind-breaks, we recommend Norway

Spruce, White and Scotch Pines. For Ornamental Hedges and Screens, the Arborvitæ and Hemlock are preferable. For general planting nearly all are suitable.

Our smaller sizes will be found particularly desirable for Nurserymen, and may be planted directly into nursery rows.

Our three to four feet sizes are just the thing for retail trade; are well rooted, good shape, and will pack close for shipping.

Evergreens.

(All grown in open ground, and one or more times transplanted.)
